

ICE DUST MONITOR LOGGER ETS -3000

ICE (ASIA) PVT LTD

3rd Floor. Broadway Centre.

Dr. Babasaheb Ambedkar Road, Dadar, Mumbai-400014

Email: instrument@iceasia.in

Specifications : ICE ETS-3000 Data logger

- **24VDC powered or 110v or 230 VAC SMPS**
- **High intensity GRAPHIC LCD Display for Digital, Bar graph or trend display**
- **Programable temperature, Pressure and Velocity correction for normalization**
- **Selected Engineering unit in %, mg/m³, mg/Nm³, mg/s ,Kg/hr etc**
- **1 Analog O/p 4-20 mA selectable**
- **2 wire mod bus RS 485 - ETS compatible protocol for reporting to CPCB/MPCB**
- **3 Alarms Hi, Low & System Fault**
- **Memory Card for Data logging (Option)**
- **Two Level Pass word protection**
- **Maintenance and Calibration mode**
- **4 Selectable Cal factor for various fuel, easy to select**
- **ABS Weather proof enclosure**
- **Timer for Iso-kinetic sampling data**
- **Calibration selectable - 2 point**
 - **- 12 point Linearization**
 - **- 12 point Interpolation as per $y=mx+c$**
- **PC based Data logging software (option)**
